## TRANSFERRED AND DUAL ROSTERED PLAYERS

These players can only play on another team as long as they are listed on the second teams official roster; and has a ID (players card) of the same affiliation as the team.

Transferred players can play for any team as long as they are age eligible; and have been processed through the team's USSF affiliate when added to the new team's roster.

C.M.S.A. regulations prevent dual rostered players participating on another team within the same age grouping on the same league day of play regardless of divisions.

- Dual rostered players can play in the same age grouping as long as the teams are registered on different league days of play.

SAY carded players can only be dual rostered to another age eligible SAY team. US Club players must follow US Club policies regarding dual rostering.

All transfer and dual roster changes must be completed through either the SAY or US Club organizations.
