**Any team that cannot play a posted game has two options:**

**Option #1** - Teams can reschedule game for any weeknight provided you have a field. To reschedule a game as a morning double header; you must contact your league commissioner. All morning games must be scheduled in conjunction with existing league schedules; and must be assigned through the league commissioner.

If you and your opponent agree to reschedule the game; the team who was responsible for the request will be responsible for paying a rescheduling fee. If the original cancelled game was one of two games scheduled on the field on the original date; or if it was scheduled in the middle of two other games on that date, the referees will still need to be paid.

**Rescheduling Administrative Fees:**

7v7 game, the cost will be \$70.00

9v9 game, the cost will be \$105.00

11v11 game for U15/U16/U17/U18, the cost will be \$150.00

If your program/club did not provide C.M.S.A. a field or fields to schedule games for the season, the charge will be deducted from your posted forfeit bond.
